

**AUTHORIZING AN INCREASE IN TIPPING FEES DUE TO THE INCREASE OF CLOSURE AND POST CLOSURE COSTS**

WHEREAS the Board of Uinta County Commissioners believes it financially responsible to own and operate municipal solid waste (MSW) landfills and transfer stations and.

WHEREAS, operating a landfill or transfer station includes the costs of closure and of post closure monitoring to meet WY DEQ regulations and.

WHEREAS the cost of closure and post closure monitoring have significantly increased in the last two years due to modifications in WY DEQ Solid Waste Management Chapters 15 and 17, rules and regulations and.

WHEREAS the Board of Uinta County Commissioners deems it appropriate to increase the landfill and transfer station tipping fees to cover these costs.

NOW, THEREFORE BE IT RESOLVED that new rate be adopted beginning June 1, 2025
